

Our School

Gateway The Complete School (GTCS), is a co-educational Cambridge International School, which was founded in the year 2006. The School is located amidst the pristine environs of Chennai, South India.

GTCS is undoubtedly a home away from home, for the Students. Owing to its convivial environment, it has the best facilitator team who are always goal-oriented. At GTCS, we value and nurture culturally diverse International School environment for its student community, as all hail from different parts of the world. We also encourage and practice collaborative partnership among our parents, facilitators, students and staff members. GTCS is well renowned in the industry for this practice. Built on the strong edifice of 'Quality Education', the school provides opportunities to students to discover their self, and also to think multi-dimensionally which helps them to flourish with excellence through collaborative learning.

CAIE

(Cambridge Assessment International Education)

Cambridge International Examinations (CIE), is now replaced by the term CAIE (Cambridge Assessment International Education). CAIE has revamped its curriculum preparing school students for life, helping them develop an informed curiosity and a lasting passion for learning.

CAIE's international qualifications are recognized by the world's best universities and employers, giving students a wide range of options in their education and career. It devotes its resources to delivering high-quality educational programmes that can unlock the learners' potential.

CAIE nurtures Cambridge learners who are confident, responsible, reflective, innovatively engaged and well equipped for success in the modern world.

The Cambridge learner attributes

- **Confident** in working with information and ideas – their own and those of others
- **Responsible** for themselves, responsive to and respectful of others Creativity & life skills
- **Reflective** as learners, developing their ability to learn
- **Innovative** and equipped for new and future challenges
- **Engaged** intellectually and socially, ready to make a difference

International Exposure and University Counselling

As students are exposed to the global world, regular counselling sessions are held for Students from different recruitment agencies and placement centers to enhance their knowledge pertaining to their future academic requirements.

Learning Beyond The Classroom

Students are introduced to the finer aspects of Terrace Gardening with their own Peat bags and seeds. They make their own compost, plant and water their bags regularly. Our environmentally conscious student also participates in seed ball making and dispersion. For budding Scientists, we offer Electronics/ Robotics, students explore the world of Science with experiments and projects. For the orators and actors, we have our DJ's Ensomneacks to debate and deliberate with our students. Throughout the academic session students are educated about good hygiene, personal habits, life skills and learn to exhibit socially acceptable behaviour.
